2025 RULES & REGULATIONS

OF THE SEDALIA AREA FARMERS' MARKET

Revised November 21, 2024

All Applicants are advised to PLEASE read the rules carefully as everyone will be held to them. For example, if you accept a token that you are not eligible to accept you will NOT be reimbursed. Breaking any of the rules can cause you to lose your spot at the market, no matter how much we and the customers love you. We're in this together and want you to succeed! So please read all of this carefully. Thank you!!!

1. What Can Be Sold

A. Raw Agricultural Products: This category includes fruits, vegetables, grains, herbs, flowers, bedding plants and potted plants. Bedding plants and potted plants must be grown from seed, plug, cutting, bulbs or bare-root by the seller. No resale of pre-finished plants is allowed.

B. Value-added Agricultural Products: This category includes products made of raw agricultural products that have been processed. Examples are: jams, jellies, salsas, sauces, oils, vinegars, baked goods, molasses, cider and picked-out nuts. In order to maintain the farm and food focus of the Market, strong preference is given to value-added products that contain meaningful material grown or produced by the seller, but this is not necessarily required for approval. The Board is available to guide vendors with questions or concerns. Vendors are requested, but not required, to make every effort to include in their products ingredients from local producers or farmer's market vendors. All products in this category must be brought before the Board for approval.

C. Non-agricultural Products: This category includes hand-made goods that are not intended for human consumption. Examples include: body products such as soaps and scrubs, candles, juried art/crafts. The member selling them must have created these items. Vendors are requested, but not required, to make every effort to include locally sourced materials in their products. These items may be sold at the market on the first Friday of the month. Exceptions are made for grandfathered members and other members at the board's discretion. The following items will not meet the juried criteria: anything the member did not have a direct hand in making or are selling on consignment or purchased wholesale; anything offensive to community taste standards; anything not supporting the mission of the Market; anything commercially produced, assembled from commercially available parts, plans, kits or cast from commercial molds. All arts and crafts must be juried by the Market /Vendor Relations Committee-before they will be allowed to be sold at the market. Photos for jury may be sent to info@sedaliaareafarmersmarket.com

D. Meat and Other Animal Products: This category includes meats, poultry, milk, cheese, eggs, farm-raised fish, honey, wool, leather, and other products derived from animals. All slaughter animals shall be in the member's immediate custody, care and control a minimum of 50 percent of the animal's life at time of slaughter. Members must abide by all applicable federal, state and local regulations and inspection regimes. In addition, they must adhere to federal or state guidelines on all labels. All animals sold as cut meat at Sedalia Area Farmers' Market should come from a known source; no resale of trader or sale barn cattle and no livestock from any condemned or "for slaughter only" herds shall be sold in any form.

E. Concession Vendors (Food Trucks): This category includes ready to eat food items prepared by the member in a certified kitchen. Board approval of concession vendors will be based on the uniqueness, flavor, quality, presentation and value of their product. Concession vendors must meet all codes and regulations for their business, and documentation to that effect must be attached to the application before it is considered for approval. Concessions vendors are requested, but not required, to make every effort to include in their products ingredients from local producers or farmer's market vendors.

F. Any stall with greater than 50 percent non-agricultural products in member's possession at the opening bell of a market session shall be a non-agricultural stall. Non-agricultural stalls shall not number more than thirty (30) percent of the total membership, rounded to the nearest ten percent.

G. All vendors preparing food products in a kitchen that is not subject to inspection by the Health Department must have a placard at the sales location indicating such and meet all applicable federal, state and local health regulations. In addition, they must adhere to local guidelines on all labels.

H. All vendors must abide by all applicable federal, state and local health regulations. In addition, they must adhere to local guidelines on all labels.

I. Members may sell only their own products as per Rule 1, A-E. The resale of any products that are not grown or produced by the member is strictly forbidden. Violators of this rule will be immediately expelled from the market without refund of any fees. Members wishing to return to the market following expulsion must apply to the Board for re-admittance. EXCEPTION: A member may act as a reseller of a product providing the product was produced in Missouri, AND the member is thoroughly knowledgeable of the production means and individual producer of the product, AND the product is not produced by a current Sedalia Area Farmers' Market vendor. The Board must also be notified and must give permission to members for this to be acceptable. The vendor must have signage stating where the product was grown (e.g. "sourced from Waverly, Mo"). This helps ensure the transparency and integrity of the Market.

J. Members must list on the annual application all products they are considering for sale at the Market during the market season. As Sedalia Area Farmers' Market strives to create a diverse, robust, quality market beneficial to customer and vendor, we reserve the right to refuse admittance to a potential member or sale of a particular product if that offering is already well represented in the Market's product mix. If a member wishes to add a product not listed on their application and which is not already represented at the Market, the annual application product listing must be updated and approved in writing by the Market Manager. If a member wishes to add a product not listed on their application that IS already represented at Market, the request must be presented to the Board by the Market Manager. Once the product has the Board approval, the annual application product listing must be updated and approved in writing by the Market Manager. A decision regarding the request will be rendered within seven (7) calendar days from acknowledgement of notification.

K. The Sedalia Area Farmers' Market welcomes local non-profit organizations and community information groups (no proselytizing or politicking) to participate when space is available. To

keep the Market fair for paying vendors, no item may be sold nor donations collected without the Board's approval. The Board reserves the right to verify non-profit status of an organization.

2. Vendors may participate in the Market only after completion of all steps in Item A below. Sedalia Area Farmers' Market reserves the right to prohibit anyone from selling at the market.

A. Initial membership considerations will include the completion of the following items:

- i. Completed application with fee received.
- ii. If applicable to the vendor's business/product mix, include written approval by federal, state, local authorities. Attach copies of such to your application.
- iii. Tentative approval by Market Manager.
- iv. Site visit
- v. Full Board approval
- vi. Payment of annual membership fee (or installment arrangements approved by Treasurer or Market Manager)
- vii. Submission of Proof of Product Liability insurance naming Sedalia Area Farmers' Market, Inc. as additional insured.
- viii. Completed formal vendor training either at spring meeting or equivalent approved by Market Manager.

B. To become and remain a "member in good standing" the following criteria must be met **each year**:

- i. All required paperwork has been submitted and approved.
- ii. Annual membership fee has been paid as verified by the Treasurer or Market Manager.
- iii. Completed formal vendor training either at spring meeting or equivalent approved by Market Manager.
- iv. Daily fees have been paid in full as verified by the Market Manager.
- v. Adherence to all rules and regulations as set forth by the Sedalia Area Farmers' Market, Inc.

3. The returning members will have a site visit at the discretion of the Board. When returning members have significant changes to their production, facilities and/or products, a site visit will be conducted at the discretion and earliest convenience of the Board. All new members will have a site visit before being allowed to sell at the Market. The Market Manager has the authorization to waive the initial site visit for one market on a case-by-case basis. The primary purpose of the site visit is to learn about the vendor and their products thus allowing the Market to promote each member to the customers. Photos will be used to help publicize the vendor. In addition, the site visit will be used to determine whether the member is in fact producing all that he/she is selling at the market. The Board reserves the right to inspect any member's site by appointment. If there are concerns, the member must make all production areas available within three (3) days. Refusal to allow inspection is grounds for indefinite suspension. A decision regarding the inspection must be rendered six (6) days from completion of inspection. In the event of health concerns, the Board reserves the right to have a random inspection.

4. Food products can be cut or opened for displays at the market if properly wrapped, but they cannot be sold. Free samples may be given to customers in accordance with Pettis County Health Department regulations.

5. Each member may set their own prices. Prices should be set in keeping with customer satisfaction and consideration of other market vendors.

6. All members should feel a responsibility to keep good will among our membership. Any grievance regarding the actions of another member should not be directed to the member in question. The initial grievance must be

reported using the Grievance Form (see end of handbook) and verbal notification given to the Market Manager who will bring it to the attention of the Board. A decision regarding the grievance to the member(s) will be addressed as quickly as possible, but must be rendered within fourteen (14) calendar days from the receipt and acknowledgement by the Market Manager. Submitted grievances will remain confidential unless the complainant and the subject of the investigation must both be involved together in order to complete the investigation.

7. Each vendor is encouraged to provide tables and/or display racks, sacks, money for change and provide certified scales pursuant to all applicable regulations when selling products by weight. Prices must be posted in full view of the consuming public with lettering and signs being limited to the vendor's area. Any signage placed outside of the assigned area must be approved by the Market Manager.

8. No product may be sold or distributed to customers until the opening bell unless the Market Master on duty gives his/her verbal consent on a case-by-case basis. (No exceptions are made for scarce/extremely limited quantity items). Sales made discreetly between vendors and/or market staff will be allowed prior to opening bell. An hour (60 minutes) prior to market opening will be allowed for set up and a half hour (30 minutes) will be allowed for finishing sales and cleaning up after closing time.

- Summer Market will be open from the first Friday in May through the Friday before Labor Day from 3 p.m. to 6 p.m. on Tuesdays and Fridays. After Labor Day, the market will be open on Fridays only from 3 p.m. to 6 p.m. Adjustments during the market season are at the discretion of the Board.
- Winter Market: To be determined.

9. It is the responsibility of individual vendors to maintain a clean and healthful condition within their assigned area and to leave that area free of debris.

A. Products should be displayed in an attractive manner.

B. Canopies, tents and umbrellas shall always be safely secured from unexpected weather events by attaching all four corners to weights no less than 30 lbs. each. Ropes and/or bungee cords, if used, must be in excellent condition. Tying to other vendor tents is prohibited. Tying to vehicles can be used as a secondary method only. **Unsecured tents may not be used.**

C. There will be no animals allowed within the market area other than service animals due to sanitation guidelines.

D. To support our vision of a healthful market environment, smoking is prohibited at the Market including electronic cigarettes. A vendor or customer may, however, smoke within their enclosed vehicle if necessary.

E. Inappropriate language or behavior, profanity, or other harassment or abuse by a member or participant toward another member or participant, market staff, or customer of the market is grounds for immediate and permanent expulsion from the market.

F. Our farmers market values family businesses and all our customers, and welcomes children's involvement. To ensure a safe, enjoyable experience for all people attending the market—especially families with small children, the elderly, and those with disabilities—we ask vendors supervise their children and ensure they respect fellow vendors' spaces and property. This helps create a welcoming, professional environment for everyone to shop and enjoy. Please review the following guidelines for safety:

Market Safety Guidelines

- 1) No running or rough play within the covered area of the pavilion, the front paved parking area and the restroom area.
- 2) No climbing on State Fair Grounds property including buildings, trees, fences, temporary structures, etc.
- 3) No use of scooters, rollerblades, roller shoes, skates, skateboards or bicycles within the covered area of the pavilion, the front paved parking area and the restroom area.

4) No entry into or onto other people's vehicles or trailers without owner's permission.

10. Persons living in Pettis County, or a contiguous county of Pettis County may become members of the Market. These counties include Benton, Cooper, Henry, Johnson, Lafayette, Morgan, and Saline. Anyone wishing to become a member must apply for admission and remain in good standing. Any vendor outside this area must be individually approved by the Board. Once approved by the Board, and after one year/market season of membership in good standing, a member from outside these counties will be afforded the same rights as members from within the counties listed above.

11. The Market Manager will select a Market Master(s), whose duty shall be collecting fees, assigning market stalls, supervising the market and other duties assigned by the Board. The Master(s) will be responsible to the Board and report any violations of rules to the Market Manager. The Master(s) will be the final authority on the day of Market. All decisions may be appealed to the Board for later consideration.

12. The Market reserves the right to cancel the privileges of any member who in the opinion of the Board has violated the rules governing the market. Fees will not be refunded.

13. Fees effective for the season:

A. An \$80.00 Annual Membership Fee is required for membership in the market. This allows the vendor to sell at the market from May 1st to April 30th of the following year in an assigned area.

B. An application fee of \$40 is required with the application, which is non-refundable. If approved as a member, this amount will be applied to the membership fee. The application and fee must be submitted prior to the site visit. The application fee is waived for returning members in good standing.

C. Returning members may choose to pay the membership fee in installments of \$20.00 until the \$80.00 fee is satisfied.

D. In addition to the Annual Membership Fee, Daily Fees are as follows. One stall measures 12.5 feet x 10 feet:

Summer Market (including during the Missouri State Fair) May 1 – October 31:

- Non-electric stall fee: Three percent (3%) of the vendor's daily sales or \$10.00, whichever is greater. Additional stalls may be purchased based upon space availability with priority given to food vendors (the minimum fee increases based upon number of stalls occupied, e.g. for two stalls the minimum fee is \$20.00 or 3% of total sales, whichever is greater). If the market requests that a vendor spread out as needed to fill gaps, no additional market stall fee will be added.
- Electric stall fee: Three percent (3%) of the vendor's daily sales or \$15.00, whichever is greater. Additional stalls may be purchased based upon space availability with priority given to food vendors (the minimum fee increases based upon number of stalls occupied, e.g. for two electric stalls the minimum fee is \$30.00 or 3% of total sales, whichever is greater. If only one stall is using electricity, the minimum fee is \$25.00.). If the market requests that a vendor spread out as needed to fill gaps, no additional market stall fee will be added.
- First Friday, Non-agricultural Products: \$25 per day
- Non-member Food Trucks (i.e. Pop-Up): \$25 per day

Winter Indoor Market: To be determined.

The Market operates on mutual trust and respect between market management, members, and customers. Regarding sales initiated outside of market hours of operation (e.g., website sales, CSA sales, pre-ordered products delivered at the market, etc.) the 3% fee to the market is expected to be reported and paid ONLY IF the sale was attributable to a customer relationship established via your membership in the Sedalia Area Farmers' Market. The Market reserves the right to request backup sales documentation for purposes of calculating daily fees.

E. Subleasing: No member shall sublease, sell or permit anyone to use their space.

F. Member Arrival: Due to timely set up and safety concerns, members should arrive at the market no later than 2:30 p.m., or have informed the Market Manager by 4:00 p.m. the day before that they will not be able to attend.

G. Failure to Show: For the sustainability of the market as a whole, it is important members commit to attending as many markets as possible. Missing numerous market days during the season may result in loss of good standing with the market, subject to Board discretion. Early and frequent communication to the Market Manager is expected and appreciated.

14. The Sedalia Area Farmers' Market, Inc. and its Board are not responsible for product liability or the paying of sales taxes for individual members. All members are responsible for any applicable license, permits, sales tax and insurance. The Market carries liability insurance but it does NOT cover individual vendors for product liability, etc. Therefore, each member must include valid proof of insurance to the Market Manager prior to vending at the market for the season, naming "Sedalia Area Farmers' Market, Inc." as an additional insured. (Coverage is generally reasonably priced and can often be added to home- owner's or business insurance policies.

15. Because type of product and cultural practices are important to some customers, the Market expects members to truthfully represent their products and operations.

16. The Sedalia Area Farmers' Market, Inc. will not discriminate against anyone because of race, color, creed, national origin, sex, age, disability, or sexual orientation.

17. In order to allow maximum customer participation, the Market accepts debit cards, credit cards and USDA SNAP (food stamps) benefits. The Market maintains the electronic system and stocks tokens for ease of customer and vendor redemption. As such, all members are required to accept the tokens as a form of payment. It is standard policy to reimburse members once per month for tokens returned to the Market Master(s). A member may be reimbursed sooner if absolutely necessary and arranged in advance with the Market Manager.

18. In the case of Adverse / Severe Weather: The foremost concern of the Market is the safety of our vendors, staff, and customers. In the event of adverse weather concerns, the market staff will monitor the weather conditions via weather app radar and strive to keep vendors alerted to potential approaching severe weather, but strongly encourage vendors to do the same. If severe weather conditions develop prior to the market opening, vendors should check the Facebook SAFM Vendors group page for a possible delay of the market opening. At any time during the market, if a vendor feels uncomfortable with the weather conditions, they should communicate with the market staff and feel free to leave the premises. Even though we strive to provide weather updates, each person/vendor is responsible for their own safety and damage to their products/equipment or harm that their unsecured products/equipment may cause to others. As such, vendors are encouraged to consider a minimalist product/stall setup for ease of securing items quickly should weather conditions demand such.

- If a National Weather Service (NWS) Severe Thunderstorm Warning is issued for the area including the Market location, all vendors and market staff should stow and secure all products and equipment within their vehicle; tables and breakable/sharp objects, and cash boxes in particular. Vendors and market staff may either depart at their own discretion or shelter in their vehicles under the pavilion. Customers will be asked to shelter in their vehicles or elsewhere at their own discretion until the storm has passed.
- If a National Weather Service (NWS) Tornado Warning is issued for the area including the Market location, all vendors, customers, and market staff should take cover immediately at local shelters:
 - 1) Skyline Elementary School, 2505 W. 32nd Street;
 - 2) Smith-Cotton Jr. High School, 312 E. Broadway;
 - 3) Mathewson Exhibition Center (west side of the fairgrounds) *if before 5:00 p.m.*

Additional Information

“Junk Food” & Luxury Items

The Food and Nutrition Act of 2008 (the Act) defines eligible food as any food or food product for home consumption and also includes seeds and plants which produce food for consumption by SNAP households. The Act precludes the following items from being purchased with SNAP benefits: alcoholic beverages, tobacco products, hot food and any food sold for on-premises consumption. Nonfood items such as pet foods, soaps, paper products, medicines and vitamins, household supplies, grooming items, and cosmetics, also are ineligible for purchase with SNAP benefits.

- Soft drinks, candy, cookies, snack crackers, and ice cream are food items and are therefore eligible items
- Seafood, steak, and bakery cakes are also food items and are therefore eligible items

Energy Drinks

When considering the eligibility of energy drinks, and other branded products, the primary determinant is the type of product label chosen by the manufacturer to conform to Food and Drug Administration (FDA) guidelines:

- Energy drinks that have a nutrition facts label are eligible foods
- Energy drinks that have a supplement facts label are classified by the FDA as supplements, and are therefore not eligible

Live Animals

Generally live animals and birds are not eligible for purchase with SNAP benefits. Live fish such as lobsters and other shellfish may be purchased with SNAP benefits.

Pumpkins, Holiday Gift Baskets, and Special Occasion Cakes

Pumpkins are edible and eligible for purchase with SNAP benefits. However, inedible gourds and pumpkins that are used solely for ornamental purposes are not eligible items. Gift baskets that contain both food and non-food items, are not eligible for purchase with SNAP benefits if the value of the non-food items exceeds 50 percent of the purchase price. Items such as birthday and other special occasion cakes are eligible for purchase with SNAP benefits as long as the value of non-edible decorations does not exceed 50 percent of the purchase price of the cake.

(caution: if check is the preferred method it is a *very* generic looking black and white perforated mailer, so don't throw it away accidentally). Please do not hesitate to let us know if you need to be paid sooner. We will make every effort to accommodate you! If a vendor's unpaid stall fees exceed tokens/income reported that month, the vendor will be expected to pay the difference to the market no later than the first market after the 5th day of the month.
